### Some details about Jacob's and Sara lives:

Jacob and Sara lived a long live together. They celebrated their Golden wedding anniversary (50<sup>th</sup>) 1893 and the diamond Anniversary (60<sup>th</sup>) 11/8/1903 The whole town celebrated with them, including the church choir. They also received a special acknowledgement from the Kaiser in Germany. I remember reading it in Johanna's room, their oldest child, which lived in Gelsdorf until 1935. I remember visiting her with my father.

But Jacob and Sara were not well off. Also they owed their own house, they had difficulty to support themselves. In later years their children and apparently their grandchildren helped out. All their children married or not lived away from home, except Johanna.

But they were well liked among the Gelsdorf Population.
